INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
BIOME LIFE SCIENCES INDIA PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of BIOME LIFE SCIENCES INDIA PRIVATE LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

A. PURI & ASSOCIATES * NEW DELHI * CHARTERED ACCOUNTANTS

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act, read with the relevant Rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

i. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

   b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

   c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

   d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

   e. On the basis of written representations received from the directors as on 31st March, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act;

   f. This report does not include a report on the adequacy of the internal financial controls with reference to financial reporting of the Company and the operating effectiveness of such controls, as the provisions of clause (i) of sub-section (3) of Section 143 of the Act are found to be not applicable to the Company, as per Ministry of Corporate Affairs notification GSR 583 (E) dated 13th June 2017 read together with notification GSR 464 (E) dated 5th June 2015.

   g. The functioning of the Company is not affected by the COVID -19 impact in view of the assured continued support from the holding company.

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company does not have any pending litigations which would impact its financial position in its financial statements;

(ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

(iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS OF BIOME LIFE SCIENCES INDIA PRIVATE LIMITED, FOR THE YEAR ENDED 31ST MARCH, 2021

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

i. a). The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets (property, plant and equipment and intangible assets).

b). All the property, plant and equipment have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. According to information and explanation given to us, we are of an opinion, that no material discrepancies were noticed on such verification.

c). Since the Company does not have any immovable properties included in fixed assets, the provisions as per clause 3(i)(c) of the Order are not applicable to the Company.

ii. The inventory has been physically verified during the year by the management. In our opinion, the frequency of physical verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material in relation to the operations of the Company and the same have been properly dealt with in the books of account.

iii. According to the information and explanations given to us, the Company has not granted any loan, secured or unsecured, to companies, firms, Limited Liability Partnerships (LLP) or other parties covered in the register maintained under Section 189 of the Act.

iv. In our opinion and according to the information and explanations given to us, the Company has not given any loan, made investment or given guarantee or security as per the provisions of section 185 and 186 of the Companies Act, 2013. Accordingly, the paragraph 3(iv) of the Order is not applicable to the Company.

v. According to the information and explanations given to us, the Company has not accepted any deposits covered by the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Rules framed there under.

vi. According to the information and explanations given to us, the Central Government has not prescribed for the Company the maintenance of cost records under sub-section (1) of Section 148 of the Act.

vii. a). According to the information and explanations given to us and on the basis of examination of the records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, value added tax, central sales tax, service tax, goods and services tax, duty of customs, duty of excise, cess and other statutory dues applicable to it within due dates or within such due dates as extended in view of the Covid-19 pandemic outbreak.

According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were in arrears as at the balance sheet date for a period of more than six months from the date they became payable.

b). According to the records of the Company, there are no dues outstanding of income tax, sales tax (including value added tax and central sales tax), service tax, goods and services tax, duty of customs or duty of excise on account of any dispute

viii. In our opinion and according to the information and explanations given to us, the Company has no amount due to any financial institution or bank or Government or debenture holders. Accordingly, the paragraph 3 (viii) of the Order is not applicable.

ix. According to the information and explanations given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year.

x. Based upon the audit procedures and according to the information and explanations given by the management, we report that no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

xi. Being a private limited company, the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act are not applicable to the Company in respect of managerial remuneration paid or provided.

xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the paragraph 3(xii) of the Order is not applicable.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.

xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.

xv. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.

xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the paragraph 3(xvi) of the Order is not applicable.

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED
NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2021

1. Corporate Information

Biome Life Sciences India Private Limited ('the Company') is a private company domiciled in India and incorporated under the provisions of the Companies Act, 2013 ("the Act") on 22nd October 2019.

The Company is engaged in the business of contract manufacturing, consulting and selling of Drugs and Medicines, Health Supplements, Food, Cosmetics & Toilet Preparations, Ayurveda and Life Sciences products.

The functional and presentation currency of the Company is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Company operates.

The financial statements of the Company for the year ended 31st March, 2021 were approved and authorized for issue in accordance with the resolution of the Company's Board of Directors on 19th July, 2021.

2. Significant Accounting Policies

a) Basis of preparation of Financial Statements and Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

These financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Thousands as per the requirement of Schedule III, unless otherwise stated. Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes to these financial statements.

b) Critical accounting judgements and key source of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the management in the process of applying the Company's accounting policies and that have the significant effect on the amount recognized in the financial statements and/or key sources of estimation uncertainty that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(i) Income Tax:
Tax expense is calculated using applicable tax rates and tax laws that have been enacted or substantively enacted. In arriving at taxable profit and tax bases of assets and liabilities the Company adjudges taxability of amounts in accordance with tax enactments, case law and opinions of tax counsel, as relevant. Where differences arise on tax assessment, these are booked in the period in which they are agreed or on final closure of assessment.

A. PURI & ASSOCIATES * CHARTERED ACCOUNTANTS * NEW DELHI
BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

Deferred Tax assets are recognized only to the extent it is probable that future taxable profits will be available against which the assets can be utilized and are reviewed at each reporting date and reduced to the extent it is no longer probable that related tax benefit will be realized.

(ii) Impairment of financial assets:
The impairment provisions for financial assets are based on assumptions about risk of default and expected credit loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(iii) Depreciation / amortization, useful lives and residual value of Property, Plant and Equipment / Intangible Assets:
Property, Plant and Equipment / Intangible Assets are depreciated / amortized over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortization to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortization for future periods is revised if there are significant changes from previous estimates.

(iv) Provisions:
Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19):

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organisation with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown from the 25th of March 2020 announced by the Indian Government, to stem the spread of COVID-19 and also lock down as announced by various State Governments from time to time. Due to this the operations of the Company got temporarily disrupted.

In light of these circumstances, the Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financials assets, inventory, receivables, advances, property plant and equipment, Intangibles etc. as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information and based on current estimates the Company expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

c) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act and Ind AS-1 – "Presentation of Financial Statements" based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents. The Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

A. PURI & ASSOCIATES CHARTERED ACCOUNTANTS NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

d) Property, Plant and Equipment

(i) Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment, if any. Cost comprises of all cost of purchase, construction and expenditure that is directly attributable to bringing the asset to the location and condition necessary for its intended use. Subsequent expenditures relating to Property, Plant and Equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred.

(ii) Depreciation is recognized on a Straight-line basis, over the useful life as specified under Schedule II of the Act, and given below:

Particulars	Useful Life
Office Equipment	5 Years
Computers / Servers	3 Years / 6 Years

(iii) The residual value of all depreciable assets, being negligible, is estimated at Nil.

(iv) The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for prospectively.

(v) Cost of Property, Plant and Equipment not ready for intended use on the date of balance sheet are disclosed as "Capital Work- in- Progress".

e) Intangible Assets

(i) Intangible assets are recognized if it is probable that the future economic benefits attributable to the assets will flow to the enterprise and cost of the asset can be measured reliably in accordance with the notified Ind AS– 38 on "Intangible Assets".

(ii) Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses (if any).

(iii) Intangible assets with finite lives are amortized over the useful economic life on a straight-line basis, from the date that they are available for use and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Amortization methods and useful lives are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for prospectively.

(iv) Amortization is calculated using straight line method to allocate cost over the useful economic life of the assets mentioned below:

Particulars	Useful Life
Computer Software	5 Years

f) Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets may be impaired. If any such indication exists the recoverable amount (i.e., higher of fair value less cost of disposal and value in use) of the asset is estimated, or, when it is not possible to estimate the recoverable amount of an individual asset, the recoverable amount of the cash generating unit to which the asset belongs is estimated. If the recoverable amount of the asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount and an impairment loss is recognized in the Statement of Profit and Loss.

The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

A. PURI & ASSOCIATES CHARTERED ACCOUNTANTS NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

g) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets

Financial assets include trade/other receivables and cash and cash equivalents.

Initial Recognition and Measurement

All financial assets are initially recognized at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are added to or deducted from the fair value on initial recognition of financial assets. Purchase and sale of financial assets are recognized using trade date accounting.

Subsequent Measurement

i. Financial Assets carried at Amortized Cost:
A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI):
A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial Assets at Fair Value through Profit and Loss (FVTPL):
A financial asset which is not classified in any of the above categories is measured at fair value through profit and loss.

Impairment of Financial Assets

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as trade receivables and advances held at amortized cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e., the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

(ii) Financial Liabilities

Financial liabilities primarily comprise of trade/other payables.

Initial Recognition and Measurement

All financial liabilities are recognized at fair value.

A. PURI & ASSOCIATES CHARTERED ACCOUNTANTS NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

Subsequent Measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derecognition of Financial Instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS-109 "Financial Instruments".

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss except in case where Holding and subsidiary relationship exists, where it is adjusted against equity or in the statement of profit and loss proportionately based on the initial recognition of the said liability.

(iv) Offsetting of Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

h) Inventories

Inventories are stated at lower of cost and net realizable value. The cost is determined on 'Weighted Average' method. The cost of inventories comprises of all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realizable value represents the estimated selling price less all estimated costs necessary to make the sale.

i) Foreign Currencies Transactions and Translations

The functional currency of the Company is the Indian Rupee. These financial statements are presented in Indian Rupee.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains and losses resulting from such translations are included in net profit in the Statement of Profit and Loss.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in Other Comprehensive Income or Statement of Profit or Loss are also recognized in Other Comprehensive Income or Statement of Profit or Loss, respectively).

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

A. PURI & ASSOCIATES CHARTERED ACCOUNTANTS NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

j) Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as Goods and Services Tax, etc. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised goods or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

(i) Sales of Goods:
Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer, generally on delivery of the goods. The Company considers, whether there are other promises in the contract in which there are separate performance obligations, to which a portion of the transaction price needs to be allocated (e.g., warranties). In determining the transaction price for the sale of goods, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

k) Employee Benefits

(i) Short-Term Employee Benefits:
The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

(ii) Post-Employment Benefits:

Defined Contribution Plans
A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts.

The Company is not covered by The Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1984, as the number of employees is less than the statutory minimum as required by the said Acts.

Defined Benefit Plan
A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

All employees are covered under Employees' Gratuity Scheme which is a defined benefit plan.
The liability in respect of gratuity is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. The fair value of any plan assets is deducted from the present value of the defined benefit obligation to determine the amount of deficit or surplus. The net defined benefit liability / (asset) is determined as the amount of the deficit or surplus, adjusted for any effect of limiting a net defined benefit asset to the asset ceiling. The net defined benefit liability / (asset) is recognised in the balance sheet.

Defined benefit costs are recognised as follows:
a) Service cost in the Statement of Profit and Loss
b) Net interest on the net defined benefit liability (asset) in the Statement of Profit and Loss
c) Remeasurement of the net defined benefit liability / (asset) in Other Comprehensive Income

Compensated Leave of Absence
Accrual for leave encashment benefit is based on actuarial valuation as on the date of balance sheet in pursuance of the Company's leave rules.

l) Tax Expenses

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Tax expense comprises current and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in the Other Comprehensive Income or in Equity. In which case, the tax is also recognized in Other Comprehensive Income or Equity.

A. PURI & ASSOCIATES * CHARTERED ACCOUNTANTS * NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets are recognized for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilized.

m) Earnings Per Equity Share

Basic earnings per equity share are computed by dividing the net profit or loss attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share are computed by dividing the net profit or loss attributable to the equity shareholders of the Company as adjusted by the after tax amount of dividends and interest recognized in the period in respect of dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

n) Leases

Company as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
(i) the contract involves the use of an identified asset;
(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
(iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

A. PURI & ASSOCIATES CHARTERED ACCOUNTANTS NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

o) Provisions and contingent liabilities

Provisions
Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities
Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

p) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cheques on hand, cash in transit, balance with banks in current accounts, balance in deposit accounts with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

q) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either -
-In the principal market for the asset or liability, or
-In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. The fair value hierarchy classifies the inputs used to measure fair value into three levels, which are as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
Level 2 - Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.
Level 3 - Unobservable inputs for the asset or liability.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

r) Borrowing Costs

Borrowing Cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, as defined in Ind AS-23 – "Borrowing Costs" are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

s) Dividend Distribution

The final dividend on shares is recorded as a liability on the date of approval by the shareholders, and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

t) Recent Accounting Developments

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards.

MCA issued a notification dated 24th March, 2021 to amend Schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting 1st April, 2021.

On 18 June 2021, the Ministry of Corporate Affairs (MCA) has also notified new Company (Indian Accounting Standards) Amendment Rules, 2021 and carried out amendments to the following accounting standards

a. Ind AS 116 Leases – The amendments extend the benefits of the COVID 19 related rent concession that were introduced last year (which allowed lessees to recognize covid 19 related rent concessions as income rather than as lease modification) from 30 June 2021 to 30 June 2022.

b. Ind AS 109 Financial Instruments – The amendment provides a practical expedient for assessment of contractual cash flow test, which is one of the criteria for being eligible to measure a financial asset at amortised cost, for the changes in the financial assets that may arise as a result of Interest Rate Benchmark Reform along. An additional temporary exception from applying hedge accounting is also added for Interest Rate Benchmark Reform.

c. Ind AS 101 Presentation of Financial Statements – The amendment substitutes the item (d) mentioned in paragraph BI as 'Classification and measurement of financial instruments. The term 'financial asset' has been replaced with 'financial instruments.

d. Ind AS 102 Share Based Payment – The amendments to this standard are made in reference to the Conceptual Framework of Financial Reporting under Ind AS in terms of defining the term 'Equity Instrument' which shall be applicable for the annual reporting periods beginning on or after 1 April 2021.

e. Ind AS 103 Business Combinations – The amendment substitutes the definition of 'assets' and 'liabilities' in accordance with the definition given in the Framework for the Preparation and Presentation of Financial Statements in accordance with Ind AS for qualifying the recognition criteria as per acquisition method.

f. Ind AS 104 Insurance Contracts – The amendment covers the insertion of certain paragraphs in the standard in order to maintain consistency with IFRS 4 and also incorporates the guidance on accounting treatment for amendments due to Interest Rate Benchmark Reform.

g. Ind AS 105 Non-current assets held for sale and discontinued operations – The amendment substitutes the definition of —'fair value less costs to sell' with 'fair value less costs of disposal' shall be substituted

h. Ind AS 106 Exploration for and evaluation of mineral resources – The amendment has been made in reference to the Conceptual Framework for Financial Reporting under Indian Accounting Standards in respect of expenditures that shall not be recognized as exploration and evaluation assets.

i. Ind AS 107 Financial Instruments: Recognition, Presentation and Disclosure – The amendment clarifies the certain additional disclosures to be made on account of Interest Rate Benchmark Reform like (i) the nature and extent of risks to which the entity is exposed arising from financial instruments subject to interest rate benchmark reform, (ii) the entity's progress in completing the transition to alternative benchmark rates, and how the entity is managing the transition.

j. Ind AS 111 Joint Arrangements – In order to maintain consistency with the amendments made in Ind AS 103, respective changes have been made in Ind AS 111.

k. Ind AS 114 Regulatory Deferral Accounts – The amendment clarifies that an entity may only change its accounting policies for the recognition, measurement, and impairment and derecognition of regulatory deferral account balances if the change makes the financial statements more relevant to the economic decision-making needs of users and no less reliable.

l. Ind AS 115 Revenue from Contracts with Customers – Certain amendments have been made in order to maintain consistency with number of paragraphs of IFRS 15.

A. PURI & ASSOCIATES CHARTERED ACCOUNTANTS NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

m. Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors – In order to maintain consistency with the amendments made in Ind AS 114 and to substitute the word 'Framework' with the 'Conceptual Framework of Financial Reporting in Ind AS', respective changes have been made in the standard.

n. Ind AS 16 Property, Plant and Equipment –The amendment has been made by substituting the words 'Recoverable amount is the higher of an asset's fair value less costs to sell and its value in use' with 'Recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use'.

o. Ind AS 34 Interim Financial Reporting –The amendments to this standard are made in reference to the conceptual Framework of Financial Reporting in Ind AS.

p. Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets–The amendment substitutes the definition of term 'Liability' as provided in the Conceptual Framework for Financial Reporting under Indian Accounting Standards.

q. Ind AS 38 Intangible Assets - The amendment substitutes the definition of term 'Asset' as provided in the Conceptual Framework for Financial Reporting under Indian Accounting Standards.

Application of above standards are not expected to have any significant impact on the Company's standalone financial statements.

Financial Liabilities		
Trade Payables (Current)	21,691	-
Other Financial Liabilities (Current)	2,931	65
Total	**24,622**	**65**

Fair Value Hierarchy:
Level 3 : All amortized cost financial assets and liabilities are classified as level 3 inputs.

Notes:
1. Trade receivables comprise amounts receivable from the sale of goods.
2. The Management considers that the carrying amount of trade and other receivables approximates their fair value.
3. Cash & Cash Equivalents comprise cash and bank balance held by the Company. The carrying amount of these assets approximates their fair value.
4. Trade payables principally comprise amounts outstanding for trade purchases. The Management considers that the carrying amount of trade payables approximates to their fair value.
5. Financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

A. PURI & ASSOCIATES CHARTERED ACCOUNTANTS NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

24 Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:
(a) Credit Risk;
(b) Liquidity Risk; and
(c) Market Risk

Risk Management Framework
The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The risk management policies are established to identify and analyse the risks faced by the Company to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and company activities. The Company's Board of Directors oversees how the management monitors compliance with Company's risk management policies and procedures, and review adequacy of the risk management framework in relation to the risks faced by the Company.

(a) Credit Risk:
Credit risk is a risk that the counterparty will default on its contractual obligation resulting in financial loss to the Company. The credit risk for the Company primarily arises from credit exposures to trade receivables and balance with bank.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Company limits its exposure to credit risk from trade receivables by establishing a appropriate credit period for customer. The Company's credit policy requires each new customer to be analysed individually for creditworthiness before the Company's standard payment terms and conditions are offered.

(b) Liquidity Risk:
Liquidity risk is a risk that the Company may not be able to meet its financial obligations on a timely basis through its cash and cash equivalents.

Management manages the liquidity risk by monitoring rolling cash flow forecasts and maturity profiles of financial assets and liabilities. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

Maturities of Financial Liabilities
The table below summarises the maturity profile (remaining period of contractual maturity at the balance sheet date) of the Company's financial liabilities based on contractual undiscounted cash flows.

The details of the contractual maturities of financial liabilities as of 31st March 2021 are as follows:

(₹ in Thousands)

Particulars	Less than 1 year	Between 1 and 5 years	More than 5 years	Total
Trade Payables	21,691	-	-	21,691
Commission payable to Directors	1,842	-	-	1,842
Other Accruals	1,089	-	-	1,089
	24,622	-	-	**24,622**

The details of the contractual maturities of financial liabilities as of 31st March 2020 are as follows:

(₹ in Thousands)

Particulars	Less than 1 year	Between 1 and 5 years	More than 5 years	Total
Other Accruals	65	-	-	65
	65	-	-	**65**

(c) Market Risk:
Market risk is the risk that changes in market place could affect the future cash flows to the Company. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The Company's transactions are in Indian Rupees (INR) and therefore, there is no foreign currency risk. The Company has not availed any loan and hence not subject to any interest rate risk. The financial instruments are not market price sensitive and hence not subject to market price risk.

Impact of COVID-19
The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets, inventory, receivables, loans and advances, property plant and equipment, intangibles etc as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information. Having reviewed the underlying data and based on current estimates, the Company does not expect any material impact on the carrying amount of these assets and liabilities. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions. The Company has also evaluated the impact of the same on the aforementioned risks i.e. credit risk, liquidity risk and market risk and does not foresee any material impact on account of the same.

A. PURI & ASSOCIATES CHARTERED ACCOUNTANTS NEW DELHI

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

25 Capital Management

The Company's objectives when managing capital are to safeguard continuity as a going concern, provide appropriate return to shareholders and maintain a cost efficient capital structure. The capital includes issued equity capital, share premium and all other reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder's value. Management monitors the return on capital as well as the level of dividends to ordinary shareholders. No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2021 and 31st March, 2020 except for budgeting for cash flow projections considering the impact of ongoing pandemic COVID - 19.

The Board of Directors seek to maintain a balance of higher returns by sound capital composition and accordingly the Company does not have any long term and short term borrowings as at 31st March 2021 and 31st March 2020.

The Company monitors capital on the basis of total debt to total equity on a periodic basis. The following table summarizes the capital of the Company:

(₹ in Thousands)

Particulars	As at 31st March 2021	As at 31st March 2020
Long Term Borrowings	-	-
Short Term Borrowings	-	-
Total Debt	-	-
Equity Share Capital	10,000	100
Other Equity	23,789	(65)
Total Equity	**33,789**	**35**
Debt-Equity Ratio	0.00	0.00

The Company's objective is to keep the debt equity ratio as low as possible which it has achieved in these years.

28 EARNINGS PER EQUITY SHARE (EPS)

Basic EPS amounts has been calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts has been calculated by dividing the profit attributable to equity holders of the Company as adjusted by the after tax amount of dividends and interest recognized in the period in respect of dilutive potential equity shares by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:	**FOR THE YEAR ENDED AS AT 31ST MARCH 2021**	**FOR THE PERIOD 22ND OCTOBER 2019 TO 31ST MARCH 2020**
Profit for the year (₹ In Thousands)	23,854	(65)

BIOME LIFE SCIENCES INDIA PRIVATE LIMITED NEW DELHI

29 EMPLOYEE BENEFITS

The Company has classified the various benefits provided to employees as under:-

(a) Contribution to Gratuity Fund (Defined Benefit Plan)

The Company has defined benefit gratuity plan (unfunded) wherein every employee is entitled to the benefit equivalent to 15 days of total basic salary last drawn for each completed year of service. Gratuity is payable to all eligible employees of the Company on retirement, separation, death or permanent disablement, in terms of the provisions of the Payment of Gratuity Act, 1972.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at March 31, 2021. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

(b) Compensated Leave of Absence Plan (Other Long Term Benefit Plan)

The Company permits encashment of leave accumulated by their employees on retirement and separation. The liability for encashment of privilege leave is determined and provided on the basis of actuarial valuation performed by an independent actuary at the date of the balance sheet.

Actuarial valuation was done in respect of the aforesaid defined benefit plan and other long term benefit plan based on the following assumptions-

Economic Assumptions

The discount rate and salary growth rate are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is generally based upon the market yields available on Government bonds at the accounting date with a term that matches that of the liabilities & salary growth rate. For the current valuation a discount rate of 6.76 % p.a. compound, has been used in consultation with the employer.

Salary Growth Rate

The salary growth rate usually consists of at least three components, viz. seniority, regular increments and promotional increase and price inflation. The assumptions used are summarized in the following table:

	Gratuity (Unfunded)		Compensated Absences Earned Leaves (Unfunded)	
	2020-21	2019-20	2020-21	2019-20
Discount rate(per annum)	6.76%	-	6.76%	-
Future salary increase(per annum)	3.50%	-	3.50%	-

29 EMPLOYEE BENEFITS

6. Sensitivity Analysis of the Defined Benefit Obligation:

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount trade, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

(₹ in Thousands)

Particulars	31st March 2021		31st March 2020	
	Increase by 0.50%	Decrease by 0.50%	Increase by 0.50%	Decrease by 0.50%
Impact of the change in Discount Rate (0.50% movement)	(6)	7	-	-
Impact of the change in Salary Increase Rate (0.50% movement)	7	(6)	-	-

Sensitivities due to mortality and withdrawals are not material and hence impact of change due to these are not calculated.

7. Description of Risk Exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow -

A). Salary Increases - Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
B). Investment Risk - If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
C). Discount Rate - Reduction in discount rate in subsequent valuations can increase the Plan's liability.
D). Mortality & Disability - Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
E). Withdrawals - Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

30 IMPAIRMENT

The Company has not recognized any loss on impairment in respect of assets of the Company in terms of Indian Accounting Standard (Ind AS) - 16 on "Property, Plant and Equipment"/ Indian Accounting Standard (Ind AS) - 36 on Impairment of Assets" since in the opinion of the Management, as confirmed by the Board of Directors, the reduction in value of any asset, to the extent required, has already been provided for in the books of accounts of the Company.

31 DUE TO MICRO, SMALL AND MEDIUM ENTERPRISES AS DEFINED UNDER THE MSMED ACT, 2006

The principal amount and the interest due thereon remaining unpaid to any supplier	FOR THE YEAR ENDED AS AT 31ST MARCH 2021 (₹ in Thousands)	FOR THE PERIOD 22ND OCTOBER 2019 TO 31ST MARCH 2020 (₹ in Thousands)
Principal amount due to micro and small enterprises	18,324	-
Interest due on above	-	-
Amount of interest paid by the buyer in terms of section 16 of the MSMED, along with the amounts of payments made to supplier beyond the appointed day	-	-
Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day) but without adding the interest specified under the MSMED Act, 2006.	68	-
Amount of interest accrued and remaining unpaid	68	-

32 OTHER NOTES

(a) Debit and credit balances of trade payables, trade receivables, loans and advances to the extent not confirmed are subject to confirmation and reconciliation with the parties.

(b) As per the requirement of Schedule III of the Act, the Board of Directors have considered the values of all assets of the Company other than property, plant and equipment, and have come to a conclusion that these have a value on realization in the ordinary course of business which is not less than the value at which they are stated in the balance sheet. On account of outbreak of Covid-19 impact, there may be certain delays in recoveries of Current Assets/ Loans and Advances but there is not likely to be any material reduction in values. Although Management expects a slowdown, there are no plans to downsize the Company's operations presently or in the near future.

(c) Provision for income tax has been computed by considering that the Company has opted for payment of income tax as per the provisions of Section 115BAB of the Income Tax Act, 1961.
